

Remington Viney Memorial Scholarship 2022

Remington Viney was a determined young woman who did not let being a minority in her field slow her down. By the time she was 26, she was a certified flight instructor-instrument, multi-engine commercial pilot, member of the Wisconsin Air National Guard, certified drone pilot, and held a tailwheel endorsement. She was involved in numerous volunteer organizations and loved to mentor people.

Remington Viney took her final flight in February 2021. We will be awarding a recurring scholarship to honor Remington, her life, and keep her memory alive. The ideal candidate would possess many of the characteristics and qualities that Remington exhibited in her life.

A scholarship in the amount up to \$5,000 will be awarded to a female Wisconsin resident over the age of 16 in pursuit of any pilot rating or license. The final scholarship award will be paid directly to a flight school in south-central Wisconsin, pending valid student pilot and medical certificates if applicable. Upon receipt of the scholarship, the recipient must become a member of Women in Aviation International and the Four Lakes Chapter, if not already a member. A mentor from the Four Lakes Chapter will be assigned to the recipient to help navigate and encourage her during training. The scholarship recipient will be expected to complete her training by August 31st, 2024.

How to Apply: Complete the application, and submit it electronically via email to wai4lakes@gmail.com with the name of the scholarship in the subject line of your email. **Deadline for filing is July 31st, 2022.**

Your application will be reviewed by the Women in Aviation International-Four Lakes chapter scholarship committee, as well as representatives from the Remington Viney Legacy Fund. Finalists may be contacted for an interview. The scholarship winner will be announced during the Girls in Aviation Day event on September 24th, 2022.
